And I don't buy the whole, PB's are too violent, too degenerate, etc. To be effective at political organizing. I think ppl see [REDACTED] knock that Antifa the fuck out and it inspires them. They see that and secretly want to be him

That's why ppl flock to us in droves still, and we thrive while all the other groups died off

I love the mobilizing politically, thats what I wanted to get into in the first place, thats what I was hoping to happen here. [REDACTED] punch was awesome, I love what he did in that video, its inspiring, it motivates people to join, but I think it gives the wrong impression, jmo. Even he thinks that, I think rallies and running for office and making an actual difference will make or break us, throwing down from time to time helps, so [REDACTED] situation isn't bad, it just cant be the only thing we're about, thats jmo.
